WELCOME

Dear colleagues,

We are proud to announce that the 31st Annual Symposium/Congress of the European College and Society of Veterinary Neurology (ECVN/ESVN) will take place in Copenhagen in 2018. We expect around 350-400 participants to join us 20-22 September. The Venue for the Symposium will be at Hotel Scandic Copenhagen.

The congress gathers experts, young neurologists in training and professionals including general practitioners with an interest in veterinary neurology and represents a great opportunity to meet people, strengthen your position in the market, expand your network and share valuable knowledge.

The programme will consist of educational and scientific sessions, panel discussions and poster presentations as well as unique networking opportunities.

The principle topics for the ESVN/ECVN 2018 are related to the following research areas:

- Applied Veterinary Clinical Neurology
- Advances in basic Neuroscience
- Comparative research concerning neurological diseases shared by companion animals and humans.

As a sponsor or exhibitor at ECVN/ESVN 2018, your company will be visible at an international platform, where you can exchange knowledge and experience with the best experts in the field. We hope the programme will be of value to increase your knowledge, improve your future clinical work and build collaborative relationships in the society.

We kindly invite you to be our sponsor or exhibitor at ESVN/ECVN 2018 in Copenhagen and look forward to welcoming you in September 2018 at Scandic Copenhagen.

On behalf of the ESVN/ECVN board and the Local Organising Committee,

Mette Berendt (chair)

Hanne Birgit Gredal (co-chair)

University of Copenhagen, Dept. of Veterinary Clinical Sciences
